“COME CLOSER”

International pop icon Tarkan is back with his highly anticipated English language album entitled, *Come Closer*. The new album, a captivating collection of riveting songs, marks Tarkan's most stirring work to date. Tarkan is an entertainer who has broken the mould of the meaning of a pop star and set the standard for a new breed of artist. He is a force that has managed to overcome countless barriers, simply because he sees none. The album *Come Closer* is a testament to the infinite appeal of an artist who is a true original.

Come Closer brings to the forefront of the international music scene what has been bubbling just under the surface for years. It is an electric combination of unsurpassed talent, unmatched vocal prowess and dexterity, unanticipated and pulsating production, & Tarkan's unsettling charm and passion. A lethal combination, which after years of simmering is about to boil over and pierce the hearts of anyone exposed. The sweltering eyes that have penetrated the souls of millions of fans are about to ignite...worldwide.
